NB/MB Creative Residency

Juried Program

The New Brunswick Arts Board (**artsnb**) and the Manitoba Arts Council (MAC) are partnering on an artist residency program. Artists from either New Brunswick or Manitoba can apply for up to \$10,000 to cover a one-to-three month residency for a creation-based or professional development project in the province that isn't their own.

The agreement establishes an annual exchange program that provides professional artists and writers with opportunities for creation and professional development residencies in the participating province. Artists and writers participating in this program enjoy complete autonomy and define the objectives of their period of residence and elaborate the parameters and conditions governing its realization in collaboration with an arts or community organization in the territory where the period of residence is to take place.

The agreements reflect the desire of **artsnb** hopes to offer New Brunswick writers and artists a new career development opportunity and to continue its productive collaboration with the arts councils of neighbouring provinces.
